

Our Clients & Chauffeur's Remain Our #1 Priority

Vanessa Ramos

Sunshine Limousine, LLC
Bonita Springs, FL 34135

22nd July 2020

Greetings,

Sunshine Limo has always been committed to your safety and well-being, especially now during the COVID-19 pandemic. We have enhanced our protocol and adhere to all CDC health and hygiene guideline to include fogging and disinfecting every vehicle before and after every ride. We utilize a safe chemical free substance in all our foggers in addition to wiping down all hard surfaces, handles, seat belts, power switches, door and storage areas, seats, armrests, headrests, cupholders and child seats (when applicable).

We also have instructed all chauffeurs to stay updated and adhere to all CDC health and hygiene guidelines including the use of protective masks and gloves. Our entire team is committed in doing everything possible to protect and keeping all of us safe by practicing social distancing, conducting multiply temperature checks, and staying home and/or seeking medical attention if running a fever or not feeling well.

As always, we continue to stand by and ready to assist you with safe, reliable professional transportation. Please consult with us for your special needs during this challenging time, especially with viable options for social distancing. Safe travels!

Kind Regards,

Vanessa Ramos,
Sunshine Limousine
